Reports from Guilds

3rd Baden Powell Guild

We continue to hold meetings at Sands Funeral Home on the third Monday of the month. Right now we have 14 paid up members and are of course actively recruiting. Our Guildmaster is Ray Lockhart, Treasurer Doug Wellwood and Secretary Sally Burrows. We continue to support the local Scouts using the interest from our trust account. Some of our younger members have taken Respect in Sport so that they can work with the youth on special projects and we all support the local Kub Kar races held in the spring. We held our annual Christmas lunch in December, and wind up lunch in June, spouses included. Two of our stalwarts John Adams and Audrey Waddy have stepped out for health reasons, one or two others are questioning their ability to carry on but only time will tell. Twice a year a couple of our members volunteer and sell Girl Guide cookies and Scout Popcorn

Respectfully submitted by Sally Burrows, Secretary for 3rd BP Guild Duncan B.C.

28th Baden Powell Guild

Let's just say we had nothing to heavy that would beat Christmas –
Going through last year's reports and minutes and we still seem to enjoy the usual yearly events, such as Beaveree, Night trek, Scout Trees, Scout Big Bike Rodeo and then of course there's always The ANNUAL GENERAL MEETING come September and joining Scouts.
Therein lies an adventure, that leaves some questions and answers that need an explanation of sorts with quizzical wishes, the other day I was involved with my teammates in the game of bowling with other BC Senior Games which like Scouts, covers quite a gambit of adventures but in either case Scott Hodgkiss, an ambitious 9 year old of the 34th Westsyde Cubs of Kamloops was proudly holding the cub car he had shaped carved and painted and it had won the Granddaddy of Trophies (almost as big as him, picture enclose) much to the pleasure of his Cub Leader, who had the honour of showing this cub car and keeper trophy to his Grandmother Hodgkiss, as she was bowling, along with the rest of us Seniors, and I was taken by Scott's sheer pleasure and it reminded me of our active involvement in 1st Westsyde Scouts in 1972, and it remind us all as to how much we require the constant vigil to support kids from age 5 to 23 years of age and the constant requirement of parents as leaders and those leaders who have done their duty to the young youth of

their day to Join their local Canadian Federation of Baden Powell Guild.

Yours in Fellowship

The 28th B-P Guild of Kamloops

Dick Stewart Past Guildmaster

31st Baden Powell Guild

The members of the 31st Alouette Baden Powell Guild have had a spectacular year and here are some of the highlights:

November 2016 – Fall Camp – We spent the weekend at Brother Dennis's place where we chatted, socialized and enjoyed possibly one of the largest campfires we have ever witnessed. For the most part the rain held off and we ate, drank and were merry

December 2016 – Social evening – We decided that we were not going to be all about business and had a social evening in December to celebrate the season. We bought goodies for us all to share and a pleasant evening was had by all.

January 2017 – Planning – We had a good may items lined up in which our membership was set to participate. We planned for our participation in the annual Kub Kar Rally (food vending), a March fund-raiser, the fixing of our stove, the repairs to the den building, the annual Ridge/Meadows night hike and the February Social Soiree.

February 2017 – Accomplishments – Our food service at the Kub Kar Rally was a rousing success and the new stove setup in the den was given its first big test (warm and toasty).

March 2017 - More Planning and More Accomplishments - More work was done (led by brother Zig) on the den to fix it up and improve the experience of visiting our humble home away from home. We were asked to participate in the annual Bear Claw competition camp (feeding the leaders and volunteers for the weekend). More planning took place for the year end BBQ and the annual Guild Luau.

April 2017 - Spring Activities - A number of our members attending Terry Campbell's retirement party. We have a healthy camp fund and have begun receiving requests to aid youth with a donation to help them attend events and camps. More work has been done on the den and will continue for the time being.

May 2017 - Bear Claw and Den - The Bear Claw Camp was a success from the point of view of the Guild's participation but a rather disappointing event overall as only 4 patrols showed up for the competition. Brother Zig worked on our den table refinishing and lacquering the surface to preserve the names and dates therein inscribed. Brother Tom spearheaded the final preparations for the Luau with brother Zig helping and Brother Peter

set to provide his high leveling entertaining post-dinner show.

June 2017 - Slowing down for summer - The year end BBQ was cancelled as there was a lack of responses from the local Scouting groups. The Guild decided to plan for something as welcome back in the fall when there might be more enthusiasm for events

July 2017 - Summer planning for the Fall - Even more work has been done on the den and it has really come together. Our final planning and arrangements are in place for the Luau. Our next year's schedule is taking shape and we are making plans for our level of participation in different events around the Area.

August 2017 – Party Time – Our Luau was a smashing success (as if there were any doubt) and a great time and great food was had by all attending.

We remain a strong and active Guild and are pleased to present this report.

Norman Preston - Guildmaster

38th Baden Powell Guild

The Guild meets five times a year, two of which are dinner meetings. Our members are involved in a number of service projects. We pick up litter in a section of a street in Delta several times a year and enjoy a pub lunch. We also assist with the Delta Christmas Toy Drive which is coordinated by Deltassist. As we do every December we provide a hamper of food and gifts for a local family to give them a good Christmas.

A number of social events throughout the year were well attended and enjoyed by all. These included an outing to the Cloverdale Race Track for dinner and betting on the ponies. There were no big winners, but it was great fun. A ride on the Fraser Valley Heritage Railway Christmas train was enjoyed by Guild members and their families in December. Several of our members have spent many volunteer hours restoring these vintage cars.

Tony Hourd passed away in February. He served Scouting in many capacities and was also a valued community volunteer in Delta. He is greatly missed and remembered by all whose lives he touched.

We are looking forward to another year of service and fellowship.

Marjorie Ochitwa - Secretary

40th Baden Powell Guild

Our Guild had the honour of co-hosting with the 31st Alouette Guild, the first one day BC Fellowship AGM held in Maple Ridge at the Eagles Hall October 1, 2016. It appeared to be a success by the members that attended.

Our Guild members' participated in Scouting and Guide activities this past year such as, joining with the 42nd Zong Hua Guild members at their Awards Celebration and the Chinese New Year parade, Camp Cookeree, Celebrating the 100th Anniversary of Vimy Ridge at the Port Moody Station Museum, JOTT and 4 of our Guild members were OOS at CJ'17 held in Nova Scotia.

A number of our members hold positions with Coho Area, Fraser Valley Council and the Provincial Executive.

A number of our Guild members are spouses attended various social events throughout the year.

JOTT, (Jamboree on the Trail) is held worldwide the second Saturday in May. This was the 20th year since it started and our 9th year to host and serve a BBQ lunch. The day started with clouds and the odd shower, finally giving way to sunny breaks. This did not deter the 430 participants and Guild members as we were all prepared.

We had our elections at our May meeting. Guildmaster Lynn Holden starts her 2nd year of her first term in September. Donna Stanbrook was re-elected as Secretary and Brian Klassen was re-elected for Registrar/Treasurer for the next 2 years. Our Guild has welcomed 2 new members this year, bringing us to 24.

Our Guild held our annual barbecue at the home of Peter and Lorna Tomlinson in July.

Betty never knew what she might come home to find him up to. In recent years, he especially enjoyed playing darts with his seniors group. Anyone who knew Stan, also knew him to be a prankster with a playful spirit. There are those who no doubt have a story to tell about one of Stan's many hijinks. Above all, Stan Hayden was a good, good man. Stan is survived by his loving wife and partner, Betty (MacInnis); son, Donald; daughter, Vicki; sister, Isobel Meehan; and brothers, Eric (Joan) and Wade. He is also survived by several nieces and nephews, brothers and sisters-in-law, and cousins. He was predeceased by son, Andrew; brothers, David and James; sisters-in-laws, Glenda and May; and brother-in-law, Ray, as well as a niece and four nephews. Stan was cremated at Walker's Funeral Home.

Donations to Canadian Cancer Society would greatly appreciated and if anyone is looking to be involved in the community, Stan would encourage you to try Scouting.

48th Baden Powell Guild*Continued from previous column*

I apologize that the 48th Guild has not been very active this year as I have been very involved with other activities such as theatre, volunteering, and election work in Squamish. Luckily I have been able to attend several Scouting events in Squamish and Judi Rhodes and Ken Kilby have also participated.

In October Judi and I attended the BC Fellowship AGM. IN November members of the 48th Guild attended the play "A Murder is Announced" in West Vancouver. Judi and I enjoyed participating in the Chinatown Parade, and I attended the 4th Squamish Group's Baden Powell celebration. Unfortunately we canceled our Guild Luncheon due to bad weather conditions.

The Squamish group produces a very popular Gang Show, and although I wasn't able to help with the concession, I very much enjoyed the performance in March. Squamish welcomes Whistler and Boden Island groups to take part in the Sea to Sky Rally where Beaver Buggies, Kub Kars and Scout Trucks are raced and judged, and Ken and I looked after the concession. Judi and I helped with the North Shore Scout Trees which was well attended by youth and parents.

In May I acted as host for the Roberts Creek Beavers who came to Squamish and we enjoyed visiting the Railway Park, swimming, exploring some trails, and camping overnight at the Yacht Club before visiting the Sea to Sky Gondola.

In June the Squamish group held their AGM, Swim-up Ceremonies and Campfire. Two patrols went to CJ in Nova Scotia and our Guild gave a donation to help with their fundraising, and also some badges they could use for trading.

Leslie Strike attended the North Shore Council gathering where Eleanor Oakley received her Silver Acorn.

We held a small AGM in July at the home of Evelyn Baker in West Vancouver and Judi Rhodes received her Bar to the Medal of Merit as well as several other over-due certificates for service to Scouting.

We are pleased to welcome two new members to our Guild this year.

In September we will place a plaque in memory of Jean Goodman at the Retallick Spiritual Centre, Camp Byng.

Members plan to attend the BC Fellowship AGM.

Barbara Stover - Guildmaster

63rd Baden Powell Guild

25 well-wishers attended the reception of Scouter Jim Richardson receiving his 50 years of service award from Scouts Canada. It was held at a community center in Oakville, Ontario. Jim is one of the founding members of our local guild and for ten years looked after our financial affairs. He was presented with the National Guild Award several years ago because of his past service to our guild.

Continued in next column

Please see picture of Jim receiving his Scouts Canada Award.

The 63rd Guild and the 11th Oakville Scout Group co-sponsored a celebration of Guild member Jim Richardson's 50 years of continuous service to Scouting. Certificate presentation made by Central Escarpment Commissioner David Frederick.

Several members of our local guild helped out at the Cub Car Rally held at Sheridan College in Oakville, Ontario last Feb./18. They help serve lunch and have been doing so for several years now.

In March/18 the Oakville Gilwell Club and members of our local guild attended the annual St. Paddy's Day evening social. 35 people enjoyed an evening of diner and fellowship at the Masonic Lodge in Milton, Ontario.

May 5th and 6th/18 members of our local guild will be encouraged to make donations of e-waste for the 19th Oakville Scouts. Money raised at this fundraising event will be used to help pay for Scouts attending the 24th World Jamboree in the USA.

We have had a very busy 2017 - 2018 Scouting year. We started in September working at Blue Springs cleaning up and getting the camp ready for Gilwell Reunion.

We also had out elections; Mac MacLean and Geoff Macquire were reelected to Guildmaster and Secretary. Additionally David Wiebe was elected as Treasurer. We had a great time at Reunion and then members of the 99th helped at:

September

Cub Scouts World Environment Camp - we are a large part of the team that helps put this event on

Scouters Skills Day - This is a Scouters day event for the development and improvement of Program skills. The day is open to Colony Scouters, Pack Scouters, Troop Scouters and Venturers.

October

Space / Stem Camp - the 99th helps the Camp Committee run this event

Eco Spirit Hike - Blue Springs Scout Reserve will be visited again by many forest spirits that need to pass their message on to young beavers and cubs about ecology and saving Our Planet.

February

Arctic Fox is a winter event for Cubs Scouts

March

Spring Things and Flapjacks - an event for Beaver Scouts and Cub Scouts

Earth Hour Mug-up and Campfire - we help host and run this event for the camp. It is free and allows Scouting families to participate in Earth Hour and the fire is led by Mike Burke, Michael Johnson and Bob Prentice

April

We helped organize a new Archery event but because of an ice storm we had to postpone it till May

May

We run a Jamboree on the Trail event out of Blue Springs with the founder of the event, it is not as big an event as the 40th does in BC (respect to them) but it does allow us to participate

Cub Scouts Soap Box Derby - we help with this event

Hammock Camp - we are hanging out with this team

June

Scout Soap Box - unfortunately this was canceled this year but we are looking forward to helping out with this next year

July

We are hosting a Summer Campfire event at the camp this year, the Council put it on at a bunch of camps last summer and we helped out but they decided not to this year so we are doing it ourselves.

Aside from that we have Bruce Findlay, Roy Gourley, Gary Mitchell and Gloria Martin go to camp on Wednesday mornings all throughout the year. They do such jobs as repair paths, cut the grass and split firewood.

In October we assisted with the Ontario Fellowship AGM at the same time as Space Camp so a few of our members were doing double and triple duty.

In April we had our Spring cleaning at camp and we got a lot accomplished. We were fed by the great team of Marg Lee, Fred and Sharon Oldfield, with the assistance and contributions of Joan Barty. We had our meeting on Tuesday night but before that we did Honours and Awards.

We started off with Penny Maclean getting caught up on her years of service awards and getting called up multiple times to be presented multiple pins

We ended with Gary Mitchell receiving the Bar to the Silver Acorn presented by Jane Johnston and David Bushell
